ABOUT US

Why we aim for Results?

We take complex and make it simple by using the latest cloud accounting technology. Working smarter not harder. Your business has no limits. Our hands on approach "in getting the job right the first time," is my best course of action. We believe in finding the right cloud accounting software for your business. This will aid the business to grow in turn creating a valuable asset and financial freedom.

At results accounting we strive to offer you quality services delivering maximum results.

We provide a full range of accounting and taxation services for businesses in Australia and to offshore companies operating in Australia.

Our range of services are designed to provide complete business and individual support. Our experience and expertise will ensure that you will have peace of mind knowing that your business is being cared for by true professionals.

Our firm will monitor and advise you with the essential information to allow your interests to expand.

We hope you give us the opportunity to deliver on that promise.

TAXATION AND STRUCTURES

- Company
- SMSF
- Discretionary Trust, Unit Trust & Other Trusts
- Sole Trader and Individuals
- Partnership

Every Australian business has a potential tax consequence. The initial structure is imperative to all businesses. We will ensure that your structure will benefit your business in tax minimisation. Our services for all your entity structures include income tax and planning, BAS, FBT, CGT and Financial reporting.

ACCOUNTING AND ADVISORY

- Monthly fixed fees available
- Fixed fee pricing available
- Unlimited calls and emails
- Business Advisory and health checks
- Monthly | Quarterly | Half yearly | Yearly reporting

Work smarter not harder. We believe in finding the right accounting cloud software for your business which will aid your business to grow. You will do so much more than just "crunch the numbers" in turn creating a valuable asset and financial freedom.

SMSF

- Setting up of self-managed superannuation fund
- Extensive financial, investment and ledger reporting
- Members, investment, contributions and pension balances
- Trustee letters and checklists

Invest smarter. Superannuation ensures that long term objectives and goals are achieved by effective strategies. We can attend to your Annual Tax SMSF Compliance once an annual Audit is finalised. We no longer provide financial advice for SMSF and you should consider taking advice from an AFS licensee before making a decision about a financial product.
